50X1-HUM

1. Further enlargement of the Rade Koncar Factory in Zagreb in compliance with the Five Year Plan has been halted for an unknown reason. The present situation is such that not even the managers of the factory know what will be done.
2. The technical manager of the factory is a certain engineer Jakovljic. Another prominent worker is technical engineer Pavao Joris. Among the other specialists in the factory are engineer Lukinic, and Drago Skrgatic, assistant to the chief director.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
